Arricano Real Estate plc

("Arricano" or the "Company")

Shopping and Entertainment Complex ("SEC") RayON

Further to the announcements made on 12 March and 3 June 2014, Arricano (AIM:ARO), a leading retail real estate developer and operator in Ukraine, confirms that the claim lodged with the Commercial Court in Kiev that resulted in an ex-parte ruling imposing a temporary ban on the alienation of SEC RayON, has been resolved in favour of Arricano. Consequently, further to all restrictions being lifted in June, the claim has now been dismissed.

Acting Chief Executive Officer, Yarema Kovaliv, said: "Whilst the claim did not influence Arricano's business activities we are very pleased that the case has now been resolved. The Court's decision demonstrates that there was no foundation to their case and that Arricano's ownership of SEC RayON can be legally demonstrated."
